WELCOME TO ASH TREE

Offering residential and residential dementia care for up to 60 residents, Ash Tree House in Wigan combines comfort and care to create the perfect home. With beautiful décor and landscaped gardens, it is a perfect setting for those entering a new phase of life.

Personalised care plans allow us to deliver person-centred care that protects each resident's dignity and independence, while prioritising an active and fulfilled lifestyle. Our attentive and extensively trained team provide round-the-clock care while getting to know each resident as an individual.

A HOME TO MAKE YOUR OWN

Each of our 60 spacious and stylish ensuite rooms come equipped with fitted furniture, flat screen TV, mini fridge, Wi-Fi access and telephone points so that residents can enjoy comfort and privacy while keeping in touch with loved ones as they wish. For socialising there are a variety of beautiful spaces available including a tearoom, a cinema, and a library.

We provide a full programme of activities for everyone to join in, and residents are able to invite guests to dine with them while they enjoy their chosen meals, lovingly prepared by our chefs to ensure all nutrition and dietary needs and preferences are met.

At Ash Tree House, we listen to our residents with kindness and curiosity, providing the very best of care, tailored to them.

We look forward to welcoming you
